Abstract

To attract customers to its realm private chit institutions in they are adopting several methods apart from the traditional product-centric approach. The basic philosophy involved in a customer-centric approach is serving the customers best where all decision starts with customers and is relationship-oriented. The present study examines customer centricity with special reference to private chit companies in Kerala with certain well-accepted variables mostly employed in studies and scholarly articles of Fagbemi and Olowokudejo (2011), Cheng et al. (2009)) and also from certain practices of KSFE Ltd.
